

## President's Message

Spring is here with the promise of warmer temperatures. Never mind we had 5" of snow a week ago and low temperatures in the upper 20's. March was our planned travel month and cool to cold temperatures would prevail the entire trip.

First up was an invitation to attend an Outdoor Resorts/Palm Springs chapter rally and to present to them their 30-year anniversary certificate. In case you didn't know, Outdoor Resorts is an ownership RV park with all spaces privately owned. The Palm Springs Resort is huge with 1,216 spaces, 2 golf courses, 8 swimming pools, 2 club houses, a restaurant and more. We were there as the chapter quests and they found a rental space for us and we were the guest at all meals. This is a large chapter and they can be congratulated for making the 30-year milestone. We had cold nights and lots of wind. We did have a moment of panic one morning. Upon returning to our coach from breakfast I reached into my pocket for the keys to the coach and nothing! We looked all around, checked the car and nothing (Debbie's keys were in the coach). We drove back to the breakfast (this is a huge park) to see if I dropped them and did someone pick them up. When we pulled up there were my keys lying in the street. Luckily no car had run over them.

With this rally behind us it was time to head east. Next stop, Gila Bend. Having passed through many times in the past, I always noticed a nice-looking RV park there so our plan was to stay there to see how it was. It was so nice we decided to stay an extra night. The people were nice, the spaces were big rig friendly and very clean.

From there it was a short drive to Tucson. We arrived early for the Tri-Chapter pre-convention rally. We were able to park in the space we would have for the FMCA convention. Being in the middle of things we watched as the convention came together all around us. Finally, the vendors were in place, the food court up and running and lots of display coaches to walk through. The weather was cool to cold and we even had rain,

heavy at times. If you have not been to the Pima fairgrounds, their main stage is an outdoor venue so you are at the mercy of the weather. For the opening ceremonies it was a little dicey with distant thunderstorms and rain nearby. With only an occasional light sprinkle, the entertainment went on and we also had a spectacular sunset as a backdrop to the stage. We did remember to bring a blanket as it was a little cold for the evening. There were 182 registrants from the Western Area at the convention. At our Area Gathering we discussed challenges we are facing for the Indio rally in 2025. I also presented a 25-year Anniversary Certificate to the Roamin' Catholics Southwest chapter. Congratulations to them for making this milestone. There was lots to see and do at the convention and there were lots of positive feedback comments about the rally.

With the convention over it was time to head towards home with a stopover in Bouse to visit our longtime friends. We planned to visit for several days but weather forecasts showed a winter storm heading towards our house so we had to cut the visit short and head home. We could not wait out the storms and arrive home later as we had appointments scheduled for the that week and yes, it did snow the day after we got home.

Throughout this trip we encountered cool to cold weather for the southwest. We were low on propane (didn't plan for cold weather) so we had to manage what we had very carefully. We used our 2 electric space heaters and just used the coach furnaces at the beginning of each day. We seldom had to use the A/C as there was lots of wind and the afternoon breezes were enough to cool the coach.

We will soon be voting in and swearing in your new WMHA Executive Board. They will face many challenges this year as they plan for our Indio rally in January 2025. There are many new ideas for the rally in the works so stay tuned.

Travel safe,

Bob Golk, F316752  
Western Area National VP of FMCA  
WMHA President

## Northern Area Vice President's Message

Hello to all my fellow recreational enthusiasts. Now that spring has sprung, we can remove all the winter items from our Recreational Vehicles. However, with this unpredictable atmospheric river weather, that just keeps hanging around, we might not want to pack away everything too quickly. Instead, as we plan our upcoming travel, we need to plan

and look weeks ahead to know what type of weather to expect. Despite the weather challenges however, I am very thankful and grateful that we have the freedom and the opportunity to roll and roam, as we please.

This year is off to a great start. In January, Janie and I traveled to Quartzite and hung out with friends. We exercised each day by walking or riding our bikes. When the big tent opened, we strolled about and checked out all the new products and gadgets available for RVs. Although we didn't see anything we really needed we still enjoyed looking around. One day we drove further into the desert and visited our Beaver RV Chapter for the day. There were about 30 RVs all circled around the campsite. One of the members provided music, lights, and entertainment, all powered by his solar system. A great time was had by all. Later that evening, they had movie night and served delicious hot buttery popcorn. As we were on our way, leaving the campsite, the members were continuing to have much fun, dancing to the sound of music, and enjoying each other's company.

Next, we attended FMCA Tucson 107 International Rally. There were over 300 first timers in attendance and upward of 1,000 RV's at the rally. Of the many, many RVs at the rally, there was one RV that stood out to everyone. It was a classic, 1949 Flxible; powered by a V6 Detroit Diesel engine that had been in the same family for 50 years. It was the RVs first time out of the barn in 25 years.

Janie and I registered as volunteers at the FMCA rally. Janie worked with the welcome and will call team. I volunteered for the parking team and was able to share my years of experience with other volunteers. I found greeting and helping others to be very rewarding and appreciated by so many people in attendance. Long after my parking assignment was over people continued to walk up just to say, hello. For Janie and I, the highlight of the rally was meeting new people and being able to share about the places we've visited and to share about our life experiences on the road.

In addition to meeting, greeting and sharing, Janie and I were able to attend several very informative seminars, including: On The Go Microwave Convection Cooking,

FMCA University, RV chassis maintenance, What's happening with RV insurance, Understanding & Testing RV Air Brakes, Hitting The Road Without Running Out Of Money and several other seminars. There were a few other seminars we wanted to attend but unfortunately some seminars overlapped others. We learned a lot from each seminar we attended. We not only enjoyed the seminars, but also the time we shared with others. Everyone attending this rally appeared to be having a good time.

FMCA's next rally will be in Redmond, Oregon. Janie and I plan to be in attendance and we're looking forward to volunteering to help, again.

Mark your calendars for our WMHA Indio rally, scheduled for January 9-12, 2025. Be sure to tell all your RV friends and handout flyers at any RV parks and Resorts you'll be visiting. In order for our 2025 rally to be successful, we need every chapter's participation and involvement. Your executive board has started working on establishing a budget, soliciting vendors to attend, establishing various events, and much more. To get the word out we will be sending out updates regarding activities and other information about the rally as we finalize the venue and all the details.

We have lots of work ahead of us and we need YOU (Every one of you), to help spread the word ...

"We're Back in 2025"!

## Southern Area Vice President's Message

We just returned from a rally of the California Chapter of FMCA at the Newport Dunes RV Park. It was a great time with great people. Our next trip is Golden Palms RV Park in Hemet. However, I have some minor issues with the RV. Nothing major; maintenance issues for a change.

This may be my last article for the newsletter. As of May, I have served my second tour as Southern Area Vice President of Western Motor Home. I will still be available to the new VP and will be assisting with any issues at Indio 2025.

I have met a lot of nice people and have enjoyed my time. As always, stay safe, stay positive and stay on the road. (Really, I mean it. Between the lines please.)

Jesse Bassford, F44869  
Southern Area Vice President

## Central Area Vice President's Message

Hello to all:

Not much has happened this winter. Paula and I attended the annual Beat the Odds (BTO) rally in Laughlin, Nevada. It was well attended and we had a great time as usual. The next rally will be in Pahrump, Nevada. If you have never been to Pahrump, you are missing out on a great time. Lots to see and do. Museums, wineries, golf, and some nice casinos. Plenty of places to dine and if you are into off-road, lots of trails.

The western area will be voting in a new slate of officers this spring. So be watching for more info to be posted for your info.

If you have any questions please feel free to contact me at: ricksp94@yahoo.com or (951)538-6435. We will be heading to Santee Lakes for some family concerns on the 11th of April. Hopefully everything will be smooth running.

Paula and I hope everyone has a great spring and summer. Stay safe and remember to smile and have fun.

Rick Ammerman, F442485  
Central Area Vice President

## The 108th FMCA Tucson Rally Update

I just want to send a note updating you on the 108th FMCA rally in Tucson, Arizona that I attended. The rally had over 1,000 RVers in attendance. Our president Gary Milner provided an update for FMCA with the following

The "Pathfinder program", is now up and running. It had been delayed due to technical difficulties developing the software but it is now a reality. It allows people interested in RVing who do not have an RV to join the organization. They will be able to use the resources and information FMCA provides. This will help newbies make a good decision before they purchase a vehicle as to which RV will be best for their lifestyle. Their membership does not grant any voting privileges or holding an office in FMCA. If you have anyone, friends or relatives considering a new adventure, please tell them about this program.

The Executive Board has approved as of March 16, 2024 the following companies to FMCA discount program:

Blaupunkt e-Bikes, Kleen Tank, Briter Products-Solar & Element 3 Health

As we all face on going decline in membership Gary provided some ideas to help FMCA and our chapters.

Face to Face recruiting everywhere you travel. Carry extra magazines or applications to handout and inform them of the benefits available., Support FMCA by Enrolling in T-Mobile, Use of FMCA discounts program, Join and participate in Chapters & Attend Conventions and Area Rallies.

On a side note Gary expressed the importance of the Western Area Indio Rally to FMCA and RVers. Our rally has been recognized as one of the best that RVers look forward to attending. It was unfortunate we had to cancel this years rally due to our low registration in October. Key point October is when contracts and commitments are signed and agreed on. Members have expressed that they normally don't register until November or just before the deadline.

During the Tucson Rally we notified everyone the Indio rally will be Back in 2025 and many stated they will attend

If you have any questions please email, text or give me a call.

*We are better together*

## Membership / Chapter Fair

Looks like Indio will be back in 2025. We will have a Chapter Fair, so please think about your chapter doing a table to promote your chapter.

I will have the day and time in the near future, but it will be similar to what we have had in the past.. Hopefully we will have a number of chapters rep-

resented so our FMCA members will have multiple chapters to check out.

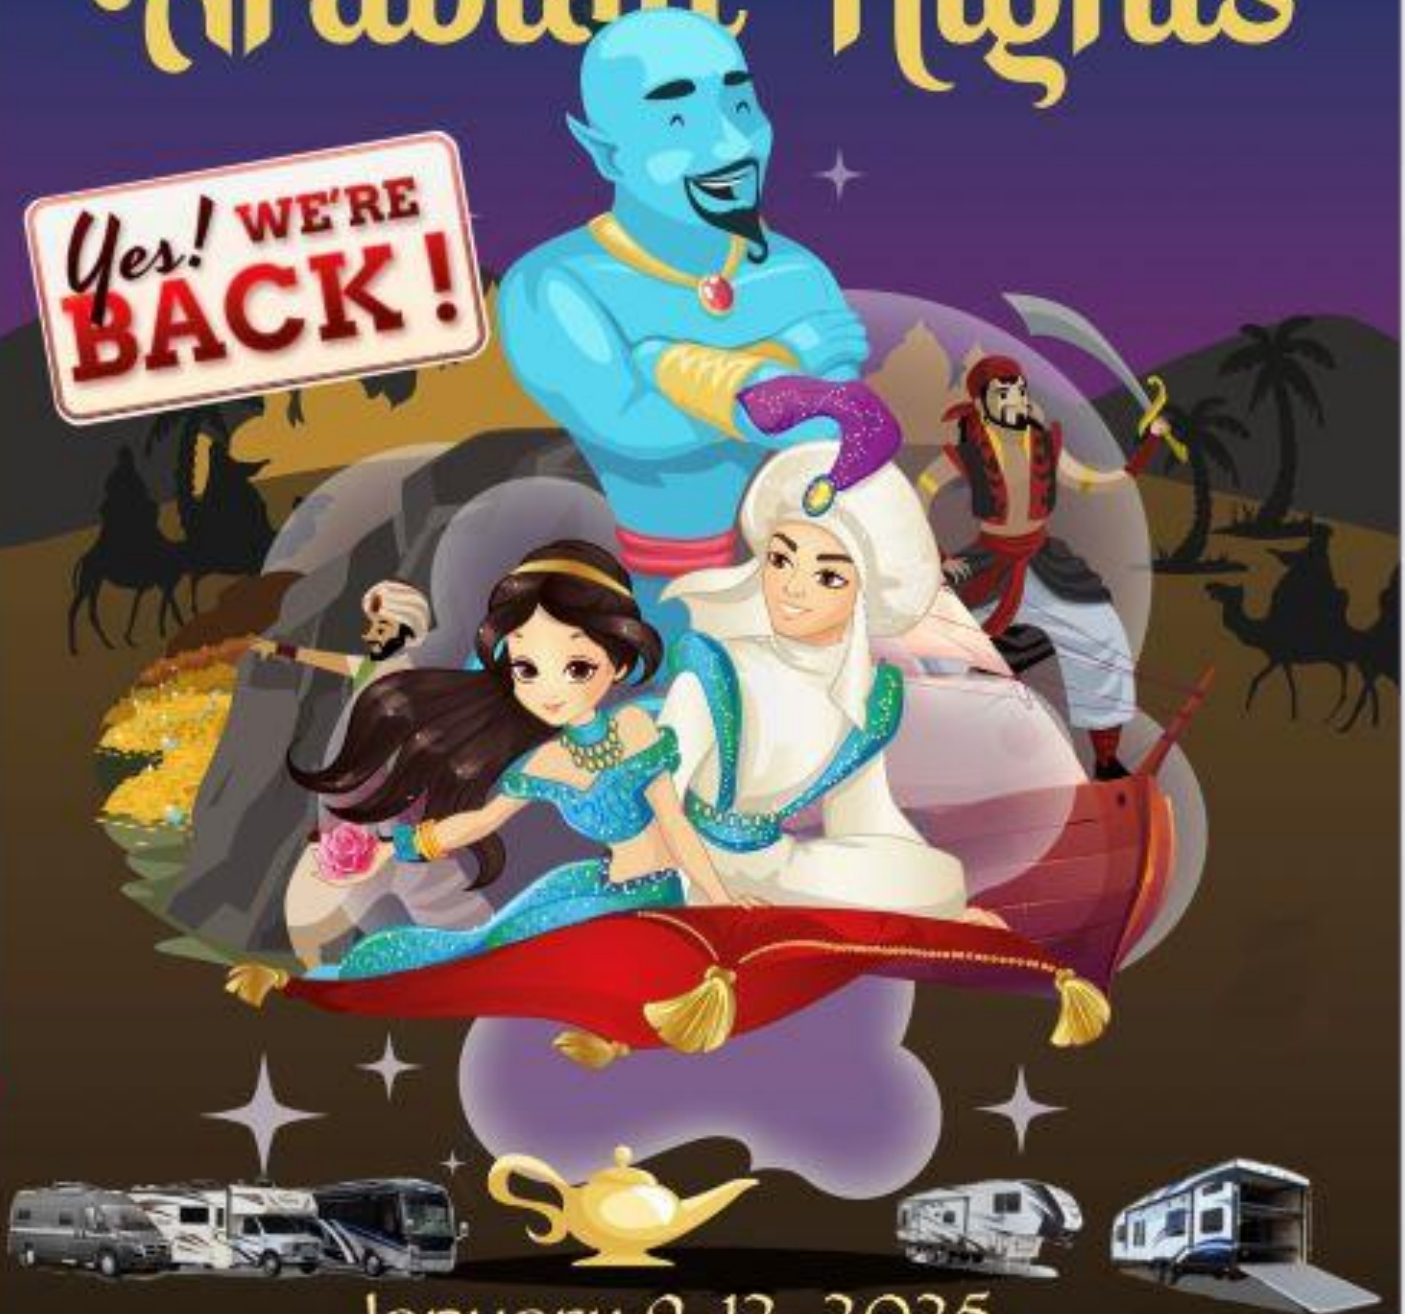

I will get more information out on this in the next issue of the Western ByWays. Looking forward to see you at Indio in January of 2025

# CHAPTERS

## For Many, Chapter Membership is considered the best part of FMCA

Did you realize when you joined FMCA that you not only became a member of the premier RV association in North America but also one of the largest networks of RVers in the world? That's right, the FMCA family includes thousands of RV enthusiasts who, like you, not only have a zest for travel but also hobbies and interests off the highway. What better way to meet folks who share your "likes" than to become involved in one or more of FMCA's chapters? FMCA chapters have get-togethers at chapter rallies, area rallies and conventions to share stories, talk about issues that involve the RV community, assemble for social activities, and have a great time!

Joining a Chapter is a great way to make lifelong friends and maximize the enjoyment of your motorhoming lifestyle. Please feel free to contact any of the Chapters below. They will be happy to have you join them for an outing.

## MAILING AND PARKING PROCEDURES FOR ALL PARKING AREAS

**All registered guests must display the parking and "Date of Entry" credentials in the motorhome or towing vehicle windshield in order to facilitate your entry onto the grounds.**

FMCA will begin mailing the credentials as soon as July 3, 2024. Please provide a valid mailing address or you can choose to have your packet held at Will Call. Registrations received after July 31, 2024, will automatically be held at Will Call.

Those who choose to have their credentials held at Will Call will be emailed directions, pickup instructions, and a Will Call placard to be printed and affixed to the windshield. Will Call hours will be 8 a.m. to 5 p.m., Sunday, August 11, through Wednesday, August 14, in the Arrival Area.

## ARRIVAL AREA

**The Arrival Area will be open 8 a.m. to 5 p.m. Sunday, August 11, through Wednesday, August 14.**

## PARKING

Parking will be located at the Deschutes County Fair & Expo Center. Each RV will be parked with the assistance of a parking team member, no exceptions. Parking hours will be from 8 a.m. to 5 p.m. All parking will be at the discretion of the parkers.

Registered family members will be assigned a parking date of Monday, Tuesday, or Wednesday, August 12, 13, or 14, 2024. Families are requested to arrive on the date stated on their "Date of Entry" card. When registering, please advise if you cannot arrive on one of the assigned parking dates.

## PARKING TOGETHER

If you would like to park with family or friends, you must register for the same type of parking and have the same "Date of Entry." You must arrive together or wait in the Arrival Area until all parties have arrived to be parked.

## CARAVANS

Groups of 10 or more RVs wishing to park together must register as a caravan with FMCA's Events Department by July 17, 2024. Please have the designated caravan leader call (800) 543-3622 to make the reservation. Contact information, the number of RVs, and the type of parking will be needed at the time of the call. To park together, RVs in the caravan must register for the same type of parking.

## EARLY ARRIVALS

If you arrive prior to your "Date of Entry" dry camping will be available in the Arrival Area starting Sunday, August 11, at no charge. If you arrive early and would like to be parked in your final parking site (during scheduled parking hours), you will pay an additional \$40 per night (payable on-site, cash or check).

## TRAM SERVICE

Tram service to all parking areas will be available beginning Tuesday, August 13. Limited tram service will be available on Monday, August 12, for volunteers.

## DEPARTURE

Departure is on Sunday, August 18, 2024. Electric service will be disconnected at 9 a.m. Everyone is to leave the grounds by noon.

## DISCLAIMER

FMCA reserves the right to cancel or postpone any event promoted by FMCA without cause or warning. Should FMCA be forced to cancel an International Convention & RV Expo along with any associated activities, attendees will receive, at the sole discretion of FMCA, a refund or letter of credit for the registration and service(s) being affected by the registration. Equivalent utilities/services at a future event may not be available at a particular venue, so the closest option will be provided.
