**Vice Presidents Message**

Hi everyone.

What a year it's been. Rob and Shirley are still having health issues and will probably not be attending rallies for the balance of the season. Rob has asked me to take over wagon Master duties until further notice. He will also be relinquishing his board seat as Second Vice President and I will also help him out until May when we have our annual Election Meeting.

Don is also still recovering and has decided to not continue as President. So needless to say we have two board positions to fill in May.

While Kathie and I did not take our coach to Avi Rally we did attend the functions. Carl and Debbie did a wonderful job under some extreme weather conditions, but everything went off as planned and we thank them so much for a great rally.

Let's hope the weather improves for Pahrump and Wickenburg rallies. Hope to see you all there

Your Vice President

Frank Richmond

# AVI CASINO LAUGHLIN NEVADA RALLY

I would like to thank my fellow Ramblers that attended the club's first all-out snow event.

Wow the first day was cold and wet, but we were able to get set up in between rain showers and performed leak tests on our RV's and Tow vehicles. We enjoyed pizza and cheese bread before the cold sent us heading back to our coaches. Then as a special treat while everyone was sleeping, we got our RV's and tow vehicles washed for free. (what a downpour it was)

We woke up Friday to freezing temperatures but bright sunshine. We headed to Kingman for lunch at the Cracker Barrel, and a tour of the Desert Diamond Distillery. There was so much snow cars were trapped in their driveways (including our RV mate Brian) all over town.

Before we left for the day the snow was turning to slush. Some of the campers went to the casino to give and get some extra money while other (the smart ones) stayed in their warm coaches.

Debbie's egg casserole was a delicious way to start off our Saturday. Saturday was an open day. Some went shopping, some went to get cold weather clothes to wear to the Tim McGraw concert in Laughlin Event Center (an outdoor venue), and some started to clean their vehicles

from the rainy drive to the AVI. That night Debbie and I prepared a Santa Maria style BBQ dinner. Everyone enjoyed the food and each other's company. Frank and Kathy joined us for all the activities but could not camp

because their motorhome is under repair, we also missed Brian at the rally believe it or not he was snowed in at Kingman. Kingman got about 20" a of snow, then he got sick from the cold, so he did not make the trip. Hope you get better soon.

Sunday was good-bye morning. The sun was out early, and the cold front had moved through. We did a continental style breakfast, so we sent the Ramblers heading home on a full stomach.

Hope everyone had a great time.

Your host's Carl and Debbie Flynn

Now it's \$1.50! I asked the gas station attendant why. He said, "Inflation."
